

IDAHO PRIMARY CARE ASSOCIATION

Supporting vibrant, effective community health centers.

The Idaho Primary Care Association (IPCA) is excited to invite you to become a sponsorship partner. IPCA is a nonprofit association comprised of Idaho's community health centers that provide a medical home to over 198,000 patients.

Our statewide membership represents 91 clinics providing medical, dental and behavioral health services. Idaho health centers are a vital part of Idaho's healthcare system, and the services you provide have been identified as an important resource to these organizations.

Each year IPCA hosts events that bring together key health center leaders. Only a few select companies are invited to be a leadership meeting partner and gain access to Idaho health center leadership and decision makers.

Partnering with IPCA provides an invaluable opportunity for recognition, knowledge and networking with Idaho health centers and other providers.

Please see the attached to find out more information about this exciting opportunity, and thank you for your consideration.

Sincerely,

Yvonne Ketchum-Ward
Chief Executive Officer
Idaho Primary Care Association

The mission of the Idaho Primary Care Association , a network of community health centers, is to promote and support vibrant, effective community health centers in providing accesible, affordable, and high quality healthcare to all Idahoans.

IPCA SPONSORSHIP PARTNERING OPPORTUNITIES

We invite you to be a Leadership Meeting Sponsor and gain access to Idaho health center leadership and decision makers. IPCA leadership meeting sponsorship provides opportunities for partnering with, and increasing your knowledge of, Idaho health centers. It is an opportunity to be recognized as a supporter of improving access to healthcare for all Idahoans. Leadership meetings occur bi-monthly throughout the year with community health center CEO's. In addition to CEO's, meetings may also include health center CFOs, quality improvement staff, outreach and enrollment staff, and others.

Join us for a lunch presentation and advance your goals through sponsorship.

2020 Leadership Meetings will take place on the following dates. Meetings are held in Boise, ID

- February 7, 2020
- May 8, 2020
- July 10, 2020 Coeur d'Alene, ID
- September 25, Pocatello, ID

LEADERSHIP MEETING SPONSORSHIP | \$2,500/event

Event Benefits

- Opportunity to reach key leaders of Idaho's 16 community health centers in one location
- Table for display of company materials will be made available
- Company logo will be printed on meeting agenda

Recognition

- IPCA CEO will recognize sponsorship at Leadership meeting
- Company logo and website link will be included on IPCA's Sponsorship webpage

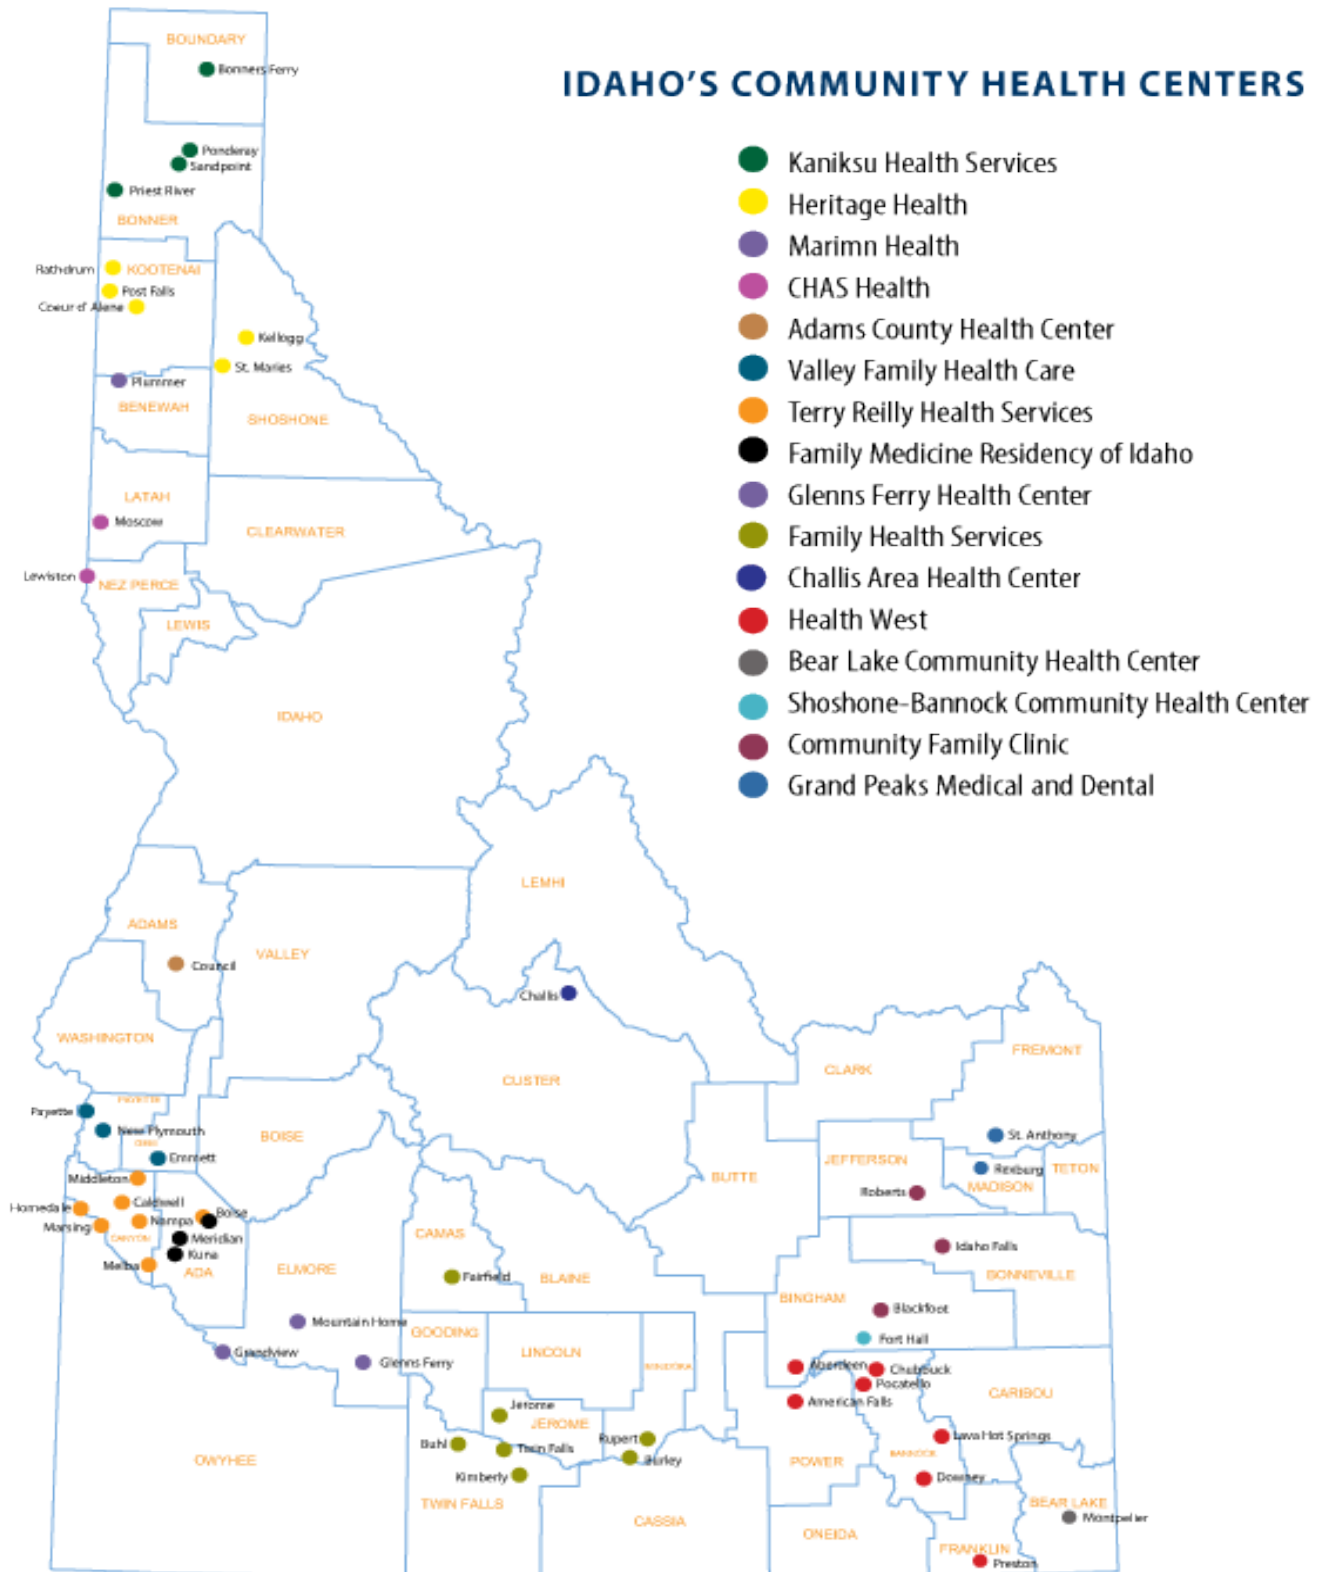

Marketing & Education

- One 30-minute presentation over lunch at the Leadership meeting of your choosing
